

# Bukka White, Sleepy Man Blues

When a man gets trouble in mind, he wanna sleep all the time  
When a man gets trouble in mind, he wanna sleep all the time  
He doesn't can sleep all the time, the trouble won't worry his mind  
Won't worry his mind  
I'm feelin' worried in mind, and I'm tryin' to keep from  
I'm feelin' worried in mind, and I'm tryin' to keep from  
I am standin' in the sunshine, to keep from weakin' down  
Keep from weakin' down  
I want somewhere to go, but I hate to go to town  
I want somewhere to go, to satisfy my mind  
I would go to town, but I hate to stand around  
Hate to stand around  
I wonder what's the matter with my right mind, my mind keep me sleepin' all  
I wonder what's the matter with my right mind, my mind keep me sleepin' all  
But when I had plenty money, my friend would come around  
Would come around  
If I had my right mind, I would write my women a few lines  
If I had my right mind, I would write my women a few lines  
I will do most anything, to keep from weakin' down  
Keep from weakin' down
