

Bulimia, Este Corpo N?o Nos Pertence

Moralistas sempre querendo nos proibir nos inibir de todo prazer
Usam Deus para nos broxar nos cercam de fantasmas
Voc est sendo vigiada!
Masturbao tabu, anormal, pecado
Fora isso ´ podemos consumir as drogas fornecidas pelo estado

Nosso corpo no nos pertence

Libertao sexual ´ uma farsa voltada aos interesses dos homens
Unicamente aos interesses dos homens
Aborto crime, suicdio ilegal
Fora isso ´ podemos consumir as drogas liberadas pelo estado

<lyrics>
Moralists always wanting to prohibit us, to inhibit us of every pleasure
They use God to turn us off and surround us with ghosts
You are being watched!
Masturbation is a taboo, is abnormal, it is sin
Apart from that, we can only consume drugs given by the State

Our body does not belong to us

Sexual liberation is just a lie that goes with men interests
Exclusively with men interests
Abortion is a crime, suicide is ilegal
Apart from that, we can only consume drugs given by the State
