

# Bullet For My Valentine, All These Things I Hate

Once more I'll say goodbye, to you  
Things happen but we don't really know why  
If it's supposed to be like this, why do most of us ignore the chance to miss?

Oh yeah...

Torn apart at the seams and my dreams turn to tears, I'm not feeling this situation  
Run away try to find that safe place you can hide  
It's the best place to be when you're feeling like.....

Me...(me!)  
Yeah...(yeah)  
All these things I hate revolve around  
Me...(me!)  
Yeah...(yeah)  
Just back off before I snap

Once more you tell those lies, to me  
Why can't you just be straight up with honesty?  
When you say these things in my ear, why do you always tell me what you wanna hear?

Oh yeah...

Wear your heart on your sleeve, make things hard to believe, I'm not feeling this situation  
Run away try to find that safe place you can hide  
It's the best place to be when you're feeling like..

Me...(me!)  
Yeah...(yeah)  
All these things I hate revolve around  
Me...(me!)  
Yeah...(yeah)  
Just back off before I snap and you'll see...(see!)  
Me...(me!)  
All these things I hate revolve around  
Me...(me!)  
Yeah...(yeah)  
Just back off before I snap...

Torn apart at the seams and my dreams turn to tears, I'm not feeling this situation  
Run away try to find that safe place you can hide  
It's the best place to be when you're feeling like me...

(It's the best place to be when you're)  
Me...(me!)  
Yeah...(yeah)  
All these things I hate revolve around  
Me...(me!)  
Yeah...(yeah!)  
Just back off before I snap and you'll see...(see!)  
Me...(me!)  
All these things I hate revolve around  
Me...(me!)  
Yeah...(yeah)  
Just back off before I snap...
