

# Bullet For My Valentine, No Easy Way Out

We're not indestructible  
Baby better get that straight  
I think it's unbelievable  
How you give into the hands of fate

Some things are worth fighting for  
Some feelings never die  
I'm not asking for another chance  
I just wanna know why

There's no easy way out  
There's no shortcut home  
There's no easy way out  
Giving in can't be wrong

I don't wanna pacify  
I don't wanna drag you down  
But I'm feeling like a prisoner  
Like a stranger in a no named town

I see all the angry faces  
Afraid that could be you and me  
Talking about what might have been  
I'm thinking about how it used to be

There's no easy way out  
There's no shortcut home  
There's no easy way out  
Giving in can't be wrong

(SOLO)

Baby baby we can shed this skin  
We can know how we feel inside  
Instead of going down this endless road  
Not knowing if we're dead or alive

Some things are worth fighting for  
Some feelings never die  
I'm not asking for another chance  
I just wanna know why

There's no easy way out  
There's no shortcut home  
There's no easy way out  
Giving in giving in can't be wrong no  
There's no easy way out  
There's no easy way out  
There's no shortcut home  
There's no shortcut home  
There's no easy way out  
There's no easy no easy no easy way out

There's no easy way out
