

Bullet For My Valentine, No Easy Way Out

We're not indestructible
Baby better get that straight
I think it's unbelievable
How you give into the hands of fate

Some things are worth fighting for
Some feelings never die
I'm not asking for another chance
I just wanna know why

There's no easy way out
There's no shortcut home
There's no easy way out
Giving in can't be wrong

I don't wanna pacify
I don't wanna drag you down
But I'm feeling like a prisoner
Like a stranger in a no named town

I see all the angry faces
Afraid that could be you and me
Talking about what might have been
I'm thinking about how it used to be

There's no easy way out
There's no shortcut home
There's no easy way out
Giving in can't be wrong

(SOLO)

Baby baby we can shed this skin
We can know how we feel inside
Instead of going down this endless road
Not knowing if we're dead or alive

Some things are worth fighting for
Some feelings never die
I'm not asking for another chance
I just wanna know why

There's no easy way out
There's no shortcut home
There's no easy way out
Giving in giving in can't be wrong no
There's no easy way out
There's no easy way out
There's no shortcut home
There's no shortcut home
There's no easy way out
There's no easy no easy no easy way out

There's no easy way out
There's no easy way out
There's no shortcut home
There's no shortcut home
There's no easy way out
There's no easy no easy no easy way out

There's no easy way out
There's no shortcut home
There's no easy way out
Giving in can't be wrong no
