

# Bullet For My Valentine, Say Goodnight

(Solo - Tuck)

Heaven's waiting for you  
Just close your eyes and say goodbye  
Hearing your pulse go on and on and on

(Pre-Chorus)

I live my life in misery  
I'd sacrifice this world to hold you  
No breath left inside of me  
Shattered glass keeps falling

(Chorus)

Say Goodnight  
Just sleep tight  
Say Goodnight

(Solo - Padget)

Flowers laid out for you  
So many colors leave me blind  
Seeing your face reflect from our babies' eyes

(Pre-Chorus)

(Chorus)

(Mosh X2)

So here I am,  
You're inside of me!  
So here I am,  
Our world is over!

(Bridge)

Here I am with you!  
I'm there till the end!  
Memories are calling!  
So farewell my friend!  
(Farewell my friend!)

(Duet - Padget/Tuck)

(Bridge)

My Friend!(X3)
