Bullet For My Valentine, Tears don

Let's go!

With blood shot eyes I watch you sleeping The warmth I feel beside me is slowly fading Would she hear me if I called her name? Would she hold me if she knew my shame?

There's always something different going wrong The path I walk's in the wrong direction There's always someone fucking hanging on Can anybody help me make things better?

Your tears don't fall, they crash around me Her conscience calls, the guilty to come home Your tears don't fall, they crash around me Her conscience calls, the guilty to come home

The moments die, I hear no screaming The visions left inside me are slowly fading Would she hear me if I called her name? Would she hold me if she knew my shame?

There's always something different going wrong The path I walk's in the wrong direction There's always someone fucking hanging on Can anybody help me make things better?

Your tears don't fall, they crash around me Her conscience calls, the guilty to come home Your tears don't fall, they crash around me Her conscience calls, the guilty to come home

Oh yeah

This battered room I've seen before
The broken bones they heal no more, no more
With my last breath I'm choking
Will this ever end? I'm hoping
My world is over one more time

Let's go!

Would she hear me if I called her name? Would she hold me if she knew my shame?

There's always something different going wrong The path I walk's in the wrong direction There's always someone fucking hanging on Can anybody help me make things better?

Your tears don't fall, they crash around me Her conscience calls, the guilty to come home Your tears don't fall, they crash around me Her conscience calls, the guilty to come

Better!

Your tears don't fall, they crash around me Her conscience calls, the guilty to come home
