

# Bunny Wailer, Get Up Stand Up

Get up stand up stand up for your rights.

Get up stand up, dont give up the fight (Rep.)

Preacher mall dont tell me

Heaven is under the earth

I know you dont know what life is really worth

Its not all that glitter is gold

And half the history has never been told

And now that the children have seen the light

They're gonna stand up for their rights

Get up stand up, stand up for your rights

Get up stand up, dont give up the fight. (rep.)

Pastor deacon we're tired a hearing

Great God gonna come from the sky

Taking away every living things

That's a whole bag of lies

Cause if you knew what life is worth

You would look for yours on earth

And now that the children have seen the light.

They're gonna stand up for their rights.

Get up stand up, stand up for your rights.

Get up stand up, dont give up the fight (Rep.).

We're sick and tired of your conmen game

Dying and go to heaven in Lord Jesus name

We know and we've come to

Overstand that the creator is a Living One

You could have fooled some people sometime

But you can't fool all the people all the time

And now that the children have seen light

They're gonna stand up for their rights

Get up stand up stand up for your rights

Get up stand up, dont give up the fight. (Rep.)
