dekh na kya hua hain yeh zameen beh rahi hain

dekh na asmaan ke sire khul gaye hain zameen se

hosh main main nahi yeh gashi bhi nahi
is sadi main kkabhi yeh hua bhi nahi
jism ghulne laga ruh galne lagi
pao rukne lage raah chalne lagi
aasman badalon par karvatein le raha hain
dekhna aasman hi barasne lage na zameen pe
yeh zameen kaunmilan ke dubkiyaa le rahi hain
dekhna uthke kandho pe chalne lage na kahi
chup chup ke - 2 chori se chori chup chup ke - 2
chup chup ke - 2 chori se chori chup chup ke - 2
tum kaho to ruke tum kaho to chale
yeh junoon hain agar toh junoon soch le
tum kaho to ruke tum kaho to chale
mujhko pehchaanti hai kaha manzilein
dekhna mere sar se aasman ud gaya hain
dekh na asmaan ke sire khul gaye hain zameen se
dekh na kya hua hain yeh zameen beh rahi hain
dekh na paniyon main zameen ghul rahi hain kahi se
chup chup ke - 2 chori se chori chup chup ke - 2
chup chup ke - 2 chori se chori chup chup ke - 2
