

Burn Season, Closer

CLOSER

You say i'm stuck somewhere back in between
My blurred memories
Some say I kicked myself right in the face
I'm not as I seem.

I'd erase what you say
Scramble words in the way
But you can't take away
Turn away
Run away
Fuck with me

Don't say that its over
I'd kill to be closer
A moment i'm passing to you
But to me
I will wait
And i'll take
Anything with your name
Don't say that its over
You can't live without me

You say theres something wrong in my head
So I like to bleed
You say i'm scaring you now but i'm tired
From watching you sleep

I'd erase what you say
Scramble words in the way
But you can't take away
Turn away
Run away
Fuck with me

Don't say that it's over
I'd kill to be closer
A moment i'm passing to you
But to me
I will wait
And ill take
Anything with your name
Don't say that its over
You can't live without me
Live without me
Live without me

But you can't take away
Turn away
Run away
Fuck with me

Don't say that it's over
Don't say that it's over
I'd kill to be closer

Dont say that it's over
I'd kill to be closer
A moment im passing to you
But to me
I will wait
And i'll take
Anything with your name

Dont say that its over
You cant live without me
(Don't say that its over)
You cant live without me
(Don't say that its over)
You cant live without me
(Don't say that its over)
I'd kill to be closer
I'd kill to be closer
You can't live without me
