

# Burn Season, Perfect

I can't be held responsible  
For anything that I say to you tonight  
And I won't be help responsible  
For anything that I want to do to you

Expect the unexpected  
Can tell you've been neglected  
Like you. Feel it like

This could be the night  
That everything was right  
It feels so perfect  
And were all we want to hear right now

This could be the night  
It feels so perfect  
I just hope i'm not oblivious

Ask me one more question (more question)  
About how it's going to be with this infection (infection)  
And how were going to live without each other? (each other)  
Is this called Hell? (Hell)

Expect the unexpected  
Can tell you've been neglected  
Like you I feel it alright now

Expect the unexpected  
I know you've been neglected  
Like you feel it right

This could be the night  
That everything was right  
It feels soo perfect  
And were all we want to hear right now

This could be the night  
It feels so perfect  
I just hope i'm not oblivious

(hey yea)  
(hey yea)  
(hey yea)  
(hey yea)  
Oblivious  
(hey yea)  
(hey yea)  
(hey yea)  
(hey yea)

Feels so perfect

I know it's right  
This could be the night  
That we become one

I know it's right  
This could be the night  
That we become one
