

Burning Heads, Angry Sometimes

I'm getting bored with the things you say
I'm getting bored and i think it's time
You never listened to a word I said
You never listen to a word I say
Listen up
You got to listen many things I try to tell you
About the stupid things that you do
I'm tired of wasting all my time
I'm of hearing the same old lies
And I wonder how you can rest self assured
When you've lost your way
All the bullshit that you say
You can stick it up your fucking ass.
