

# Burning Point, Under The Dying Sun

Despite all the pain  
I have a strong belief  
darkness and rain  
won't bring me down

[Pre-chorus]

Through fire and water I run  
borrowed time Under the Dying Sun

I remember the time  
The time of innocence  
a child-like belief  
the faith in god

[Pre-chorus]

[Chorus]

Forever I'll try  
through my lifetime  
You won't see me cry  
before the last sunrise

'til the end of it all I will fight...

I still stand on my own  
last days are passing by  
I have to be strong  
I never let go

[Pre-chorus]

[Chorus]
