## Burning Point, Under The Dying Sun

Despite all the pain I have a strong belief darkness and rain won't bring me down

[Pre-chorus]

Through fire and water I run borrowed time Under the Dying Sun

I remember the time The time of innocence a child-like belief the faith in god

[Pre-chorus]

[Chorus]

Forever I'll try through my lifetime You won't see me cry before the last sunrise

'til the end of it all I will fight...

I still stand on my own last days are passing by I have to be strong I never let go

[Pre-chorus]

[Chorus]
