

Burnshee Thornside, Bad Bad Luck

Man I'm sick and tired of
Being on the edge of breaking down
Fighting like a madman
Tryin' to get my feet back on the ground

Lucky number
At the rainbow's end
Bad bad luck
Is my only friend

Pass another table
Stop in for some seven-card high and low
Really shouldn't be here
I've got no other place where I can go

Lucky number
Say where did you go?
I've been waiting
Now why don't you show?

Used to have my hopes high
Thinking it will all work out someday
Maybe just a last bet
And I'll be on my way

Lucky number
At the rainbow's end
Bad bad luck
Is my only friend

Lucky number
At the rainbow's end
Bad bad luck
Is my only friend
