

# Burt Bacharach, Can't Give It Up

I'll never change you  
I'll never try to  
I'll never understand love  
I'll never get it

I'll never ever change you  
I'll never try to  
'Cause you're my only  
Broken valentine  
Just like you are

I'll never understand love  
I'll never get it  
But can't give it up

I'll never ever change you  
I'll never try to  
You'll be my only  
Broken valentine  
Just like you are

I'll never understand love  
I'll never get it  
But can't give it up

I'll never ever change you  
I'll never try to  
'Cause you're my only  
Broken valentine  
Just like you are
