

Burt Bacharach, Is Love Enough?

Times keep changing
Always movin'

Things never change
Things stay the same
Things fall apart
Life breaks your heart

Things keep changing
Always movin'

Things never change
Things stay the same

Things keep changing
Always moving

Things never change
Things stay the same
Things fall apart
Life breaks your heart

Things fall apart
Life breaks your heart
Is love enough?

Nothing but love's
Ever enough
But love's enough

Things never change
Things stay the same

Nothing but love's
Ever enough
But love's enough

Things fall apart
Life breaks your heart
Is love enough?

Nothing but love's
Ever enough
