

# Burt Bacharach, Living Together, Growing Together

Start with a man and you have one  
Add on a woman and then you have two

Add on a child and what have you got?  
You've got more than three  
You've got what they call a family

Living together  
Growing together  
Just being together  
That's how it starts  
Three loving hearts all  
Pulling together  
working together  
just building together  
That makes you strong  
If things go wrong  
We'll still get along somehow  
Living and growing together

It just takes wood to build a house  
Fill it with people and you have a home  
Fill it with love and people take root  
It's just like a tree  
Where each branch becomes a family that's

Living together  
Growing together  
Just being together  
That's how it starts  
Three loving hearts all  
Pulling together  
working together  
just building together  
That makes you strong  
If things go wrong  
We'll still get along somehow  
Living and growing together

Still get along somehow

Living and growing together

Living together  
Growing together  
Just being together  
That's how it starts  
Three loving hearts all  
Pulling together  
Working together  
Just building together  
That makes you strong  
If things go wrong  
We'll still get along somehow  
Living and growing  
Just like we're doing now, together
