

Burt Bacharach, (There Goes) The Forgotten Man

There goes a forgotten man
There goes a forgotten man
Walkin' alone
Walkin' all alone

I used to be known as Jennie's guy
They point me out when I walk by
Oh, yes everyone noticed me
Till one night a stranger came
And stole my love away
Now I hear people say

There goes a forgotten man
There goes a forgotten man
Walkin' alone
Walkin' all alone

They turn away when I pass by
Guess they're afraid I'll start to cry
Jennie is gone and they're pityin' me
When I lost a love and knew
That I lost everything
That's why they are whisperin'

There goes a forgotten man
There goes a forgotten man
Walkin' alone
Walkin' all alone

Jennie is gone and they're pityin' me
When I lost a love and knew
That I lost everything
That's why they are whisperin'

There goes a forgotten man
Goes a forgotten man
Walkin' alone
Walkin' all alone
Walkin' alone
Walkin' all alone
