

Burton Cummings, Daddy's On The Road

Daddy's on the road
Daddy's on the road
Such a heavy load when
Daddy's on the road

Sister's at the wheel
Sister's at the wheel
Life's so real when
Sister's at the wheel
One more

Mommy plays guitar
Mommy plays guitar
Lady's such a star, that
Mommy plays guitar

Brother makes the deal
Brother makes the deal
Life's so real when
Daddy's on the road
