

Burton Cummings, Gettin' My Daddy's Car

Stewart Warner timing, rings are always shining
Ooh boy
Never really trashy, always little classy
Ooh boy

Time to start preparin', think about what you're wearin'
Ooh boy
Meet you on the corner, son
Gonna be flyin'

Gettin' my daddy's car
We're gettin' my daddy's car
It's twice as faster as yours are
Gettin' my daddy's car

Tricky, tricky timing
Pistons always shining
Ooh boy
Time to start preparin'
Think about what you're wearin'
Ooh boy
It's Memory Lane, you know I'm goin' insane with you boy
I'll meet you on the corner, son
Gonna be glidin'
Ooh boy

My daddy's car...

Gettin' my daddy's car
Gettin' my daddy's car
It's got Nauga-hide buckets and a three-quarter sham
Hooker header tails and a 409
I'm goin' gettin' my daddy's car
It's seven times faster than yours are
Gettin' that car
Goin' cruisin' my way back home
Findin' my way back home
Gettin' my daddy's car
And I'll be cruisin' my way back home
