

# Bury Your Dead, All The Right Moves

All that I am  
is what this promise means.  
You are the only thing that's left for me.  
Then want might kill me, falls to a second place.  
When I remember what you'd give for me

All that I have  
All that you've given me  
my heart was empty  
life was killing me  
they took my money  
they took it all  
I swear my everything, you're not just all i have, you're all I need.

I need these words  
more than I'd ever mentioned these things before.

I need these words  
You're all that I need

You're not just all I have  
You're all that I need
