

Bush Band, Chemicals Between Us

i want u to remember
a love so fool that can set us always
and i want u to surrender on my feelings lost today
and i want u to remain the power of children can amaz
ill try not to complain
i now thats a kisser baby

chours:
the chemicals between us the walls are on of swedish
lying this bed
the chemicals this place there is no love mistake lying this bed

i want u to remember
everithing u said could ever treat me well
like in heaven
held to my head

the chemicals between us the walls are on of swedish
lying this bed
chemicals this place there is no love in ur face lying this bed

chemicals between us .. chemicals between us ...lying this bed
from all the hollow men we are the naked one
we never met you hard never met you hard
then id like to thank
all of my lovers lovers lovers lovers lovers lovers

chours
chemicals between us chemicals between us
