

Bush, Letting The Cables Sleep

You in the dark
You in the pain
You on the run
Living a hell
Living your ghost
Living your end
Never seem to get in the place that I belong
Don't wanna lose the time, lose the time to come

Whatever you say, it's alright
Whatever you do, it's all good
Whatever you say, it's alright

Silence is not the way
We need to talk about it
If heaven is on the way
If heaven is on the way

You in the sea
On a decline
Breaking the waves
Watching the lights go down
Letting the cables sleep

Whatever you say, it's alright
Whatever you do, it's all good
Whatever you say, it's alright

Silence is not the way
We need to talk about it
If heaven is on the way
We'll wrap the world around it
If heaven is on the way
If heaven is on the way

I'm a stranger in this town
I'm a stranger in this town
I'm a stranger in this town

If heaven is on the way
If heaven is on the way

I'm a stranger in this town
I'm a stranger in this town
