## Bush, Swallowed

Warm sun, feed me up And I'm leery, loaded up Loathing for a change And I slip some, boil away

Swallowed, followed Heavy about everything but my love Swallowed, sorrowed I'm with everyone and yet not I'm with everyone and yet not I'm with everyone and yet

Just wanted to be myself
Hey you said you would love to try some
Hey you said you would love to die some
In the middle of a world on a fishhook
You're the wave
You're the wave
You're the wave

Swallowed, borrowed
Heavy about everything but my love
Swallowed, hollowed
Sharp about everyone but yourself
Swallowed, oh no
I'm with everyone and yet not
I'm with everyone and you're not
I'm with everyone and you're not
I'm with everyone and yet

Piss on self-esteem Forward, busted knee Sick head, blackened lungs And I'm simple, selfish son

Swallowed, followed Heavy about everything but my love Swallowed, oh no I'm with everyone and yet not I'm with everyone and yet not I'm with everyone and yet not

Got to get away from here Got to get away from here Got to get away from here Got to get away from here

I miss the one that I love a lot I miss the one that I love a lot I miss the one that I love a lot
