

Bust A Groove, Hiro's Song

My name is Hiro
I am 51
Since 1980
life has been no fun
And I
Don't wanna die!

I left my family for the secretary

Uh uh, uh uh, uh uh, uh uh

Her name is Yuko
She is 22
She and my daughter
Were best friends in high school
They say I'm crazy
And it's temporary
But I refuse to run my life in temporary's

I, I wanna explode

And a kareoke supa-nova

I don't wanna grow old
Won't you let me
Won't you let me explode
I don't wanna grow old
Won't you let me
Won't you let me explode
And a kareoke supa-nova, yeah

Uh uh, uh uh, uh uh, uh uh

Last night she dressed me up in hip-hop pants
The fact she styles it just below you ass
She wants to show me to her mum and dad
I told her I won't be down with that

Coz lately I can feel the years between us
And hope to god my friends at work don't see us
Today she asked me if I'd ever seen jesus
Coz shes got back stage passes for the three of us

I don't wanna grow old
Won't you let me
Won't you let me explode
I don't wanna grow old
Won't you let me
Won't you let me explode, uh oh
And a kareoke supa-nova, yeah

So she's gone and broke my heart, god damn her
Turns out she's been f***ing a trump-o-grammar
She likes his style, she like his rock-star glamour
Well shes an insect, he can damn well have her

I don't wanna grow old
Won't you let me
Won't you let me explode
I don't wanna grow old
Won't you let me
Won't you let me explode

I don't wanna grow old (Don't wanna grow old)

Won't you let me
Won't you let me explode
I don't wanna grow old (Don't wanna drow old)
Won't you let me
Won't you let me explode, uh oh
And a kareoke supa-nova

Alright

Alright

Thats good keep it up
OK some of your parts

Yeah, check it!

Come on!
