

# Bust A Groove, Transform (Kelly's Song)

(Kelly, Kelly contrary to what many think of you,  
I can tell that your passion is true.  
It never ceases to amaze me, it's crazy!  
When the fellows and ladies wanna see you move.  
Tell me, tell me what would you do if I told you,  
I'd come up to you so cool like a feel good friend  
I'm not lookin' for romance but I love to watch your body dance.)

If you want love, don't move any further.  
Got a surprise, all your lookin' is over.  
Any moment, I'll show what I can do.  
Right now's the time, I can be who I want to.

Midnight. I'm hittin' the dance floor.  
Nobody knows me until I say I am Kelly.  
Midnight. Will you be my baby?  
I'm gonna transform cause my heart wants to tell.

(Midnight comin' on strong,  
time to show the people who you were all along.  
Transform your style from day to night.  
You can drop your mask and I'll drop mine.  
I know you don't know me but you could've told me  
about the other who was doggin' you.  
But now that I know, you know what then?  
We can book it and be ballin' freaky.)
