

# Busta Rhymes, What It Is At Now

What it is right now

Let me show you what it is right now,  
I'm quick to flip, hit you on right on, stack chips, shit lookin' sick right now,  
Can't help it I'm a pimp right now, but i'ma do whateva you think right now,  
Let em come lookin at me getta grip right now.

Not one of y'all hoochies could move me right now,  
Went from gap to guess to f\*\*kin' gucci right now,  
Comin' for your title, all liable right now,  
So if you all wanna be rich read a Bible right now,  
Busta bus be corrupt, watch me spit at the block,  
In between the big screen like vivica fox,  
The new album showing no mercy right now,  
Comin' worse than eminem, what it is at now.

Busta what it is right now, busta what it is right now,  
Busta what it is right now, busta what it is right now,  
Busta what it is right now, busta what it is right now,  
Busta what it is right now, busta what it is right now.

We got you stuck right now,  
We lookin for bitches to f\*\*k at now, chickens and peacocks so duck right now,  
Different birds with feathers to pluck right now,  
Yo we pull up in the truck right now,  
All black 740 deluxe right now, niggaz hate so self destruct right now,  
Wishin' I was takin' the bus right now.

Lets get it on right now, feel it all right now,  
Bit em' small and skin em' all right down,  
A wide variety of kicks, and 9 times out of 10 i'ma bag a bitch,  
And I'm a get some right now, i mean right now,  
I'll f\*\*k a white girl in a tail,  
Right now, things are like iron mike right now,  
Throw hard rights and knock em out right now.

Busta what it is right now, busta what it is right now,  
Busta what it is right now, busta what it is right now,  
Busta what it is right now, busta what it is right now,  
Busta what it is right now, busta what it is right now.

Its q b right now, niggaz is wondering who he's right now,  
Heat a nigga wit 20 on v's right now, pushin' the whip on empty streets now,  
Ma, you catch a cab right now, with the cap down, i'ma pour some clips right now,  
Die slow niggaz is pickin' they seats now,  
Let it gleam right now, close your eyes no sound.

Thought I told you what it is at now,  
You ain't got to guess ain't no f\*\*king quiz right now,  
Top billing like milton gibbs right now,  
Busta bus the motherf\*\*king grand whiz right now,  
In case you ain't know it's busta rhymes right now,  
Stoppin' your bank taking bills right now,  
Your little bitch came f\*\*kin' wit a pro right now,  
Seen better bitches, so go to where it is right now

Busta what it is right now, busta what it right at now.
