The Brooklyn borough king, you bitch to me is everything  
Sent me to Jersey, trapped off the parascene, or Penelope Pitstop  
You can't duplicate the picture, or record this hip hop!  
My owl's are tryna crust up the ziplock  
Dime pieces in high heels and flip flops  
Real playas, with the Zenty's wristwatch  
Outside of clubs, is backed up in gridlock  
Three bouncers the size of sasquatch  
Plus whips that will make your eyes pop  
Hot burns that burn faster than matchesticks  
Dirt is only out to catch vicks  
B-boys on the back on some rap shit  
Fake industry heads sweating in the guest list  
I'm on the spot with a bottle of fresh Cryst'  
Lay up on the table, arm around the best chick  
It's all about the money

[Ol Dirty Bastard]

In a fly tailor made shit, cooking a blunt  
Got the Phantom, parked, crooked out in the front  
Rowing, gun toting, Sonny Chiba niggaz we large  
Caymen Island style, sucking on cohiba cigars  
The way we stack cake, you know I know it's making you sick  
Watch dough with diplomats from other countries and shit

Money over flowing, spending like it don't even matter  
Money do a lotta shit, money make me more bread  
But money take a nigga life, put a price on they head  
Think you nicer than the dreads, niggaz fight with the feds  
Keep it cool, while I put all of the hype on the bed

[Busta Rhymes]

Forty carat D class, next to my middle finger  
When I see my own reflection, diamond frost the mirror  
Diamonds as cold as ice, frost bite like winter  
Floss fitters, three quarter four length chinchillas  
You wish you knew the way, the kid'll quiet dough is a mystery  
Niggaz bread'll stack longer than American History  
Heh, now peep the way we runnin' through y'all, it's funny  
F\*\*k around get you murked with my &quot;Woo-Hah!&quot; money  
Lay you down in the dirt, let me school y'all dummies  
Hit the town with the work, like crack heads, they love me  
Shit, to call my cake disrespectful bitch, holla  
A lot of acres with a pet alligator, named Dollar  
Bust it, y'all niggaz know that I'm the most, so just stop it  
I cop cribs, and stash cake and keepin' money in wallets  
Niggaz money smaller than a bar of Whatchamacallits  
Money hungry like Sudan, when my paper stay brolic
