

Busted, Over You

Here we go
Take a bow
Because we're
Over now
You were not
There for me
When I needed you
And honestly I think
I love you more
If that's possible I think
I love you more

Its over now
And I can't see you
Some things are better left unsaid
And all the promises I made were so stupid
Maybe we'll be able to be friends
If that's possible

Two days gone
I'm alright
But you can't
Sleep at night
What is it
That you don't like
Are you happy now
I was playing with your head
And I closed the door
I was kidding when I said
I love you more

Its over now
And I can't see you
Some things are better left unsaid
And all the promises I made were so stupid
Maybe we'll be able to be friends
If that's possible

Its over now
And I cant see you
Some things are better left unsaid
And all the promises I made were so stupid
Maybe we'll be able to be friends
If that's possible
If that's possible
If that's possible
If that's possible
It's over now
