

Busted, That thing you do

When i woke up
i was so proud to see
you lying naked next to me
and the clothes you wore
the night before
were lying on my bedroom floor
and this is how i want it to be
you know it, i want it that way
baby, i don't know what to say
it's like that everyday
i never felt this way, yeah
now i just don't know what to do
if i can't be with you
girl you know its true
i love that thing you do
i've seen everything
i dreamt it all last night we did it in a waterfall
and then you turned round
and i could see
this beautiful simplicity
and this is how i want it to be
you know it, i want it that way
baby, i don't know what to say
it's like that everyday
i never felt this way, yeah
now i just don't know what to do
if i can't be with you
girl you know its true
i love that thing you do
i love that thing you do
i love that thing you do
i love that thing you do
cos i love that thing you do
baby, i don't know what to say
it's like that everyday
i never felt this way, yeah
now i just don't know what to do
if i can't be with you
girl you know its true
i love that thing you do
i love that thing you do
i love that thing you do
i love that thing you do
i love that thing you do
