

# Butt Trumpet, Funeral Crashing Tonite

Funeral crashing tonight-alright  
Drive right in and fight-let's fight  
Knock 'em over the head-the head  
Haul away their dead  
We got him in a hefty bag  
Don't be sad be glad  
Your son's in a hefty bag  
Heftyheftyhefty  
Wimpy wimpy wimpy  
Heftyheftyhefty  
Wiimpy wimpy wimpy  
Cruising Sunset Strip-the Strip  
Looking for some chicks-some chicks  
Show 'em what we got-we got  
Before it starts to rot  
We sprayed it with some "Off"  
To keep away the bugs  
It gives us better luck, yeah  
Throw the bag in the back seat  
We think the "thud" sounds real neat  
Work all week then Friday night  
We all go funeral crashing tonite  
Funeral crashing tonite-alright  
Drive right in and fight-let's fight  
Knock 'em over the head-the head  
Haul away their dead  
Chicks that that it's great-it's great  
The world's cheapest date-cheap date  
Cruising around town-'round town  
We roll the windows down  
Heftyheftyhefty  
Wimpy wimpy wimpy  
Heftyheftyhefty  
Wimpy wimpy wimpy  
Funeral crashing tonite  
And don't forget  
You can always repent on Sunday
