

Butt Trumpet, Ode To Dickhead

Dickhead

CHORUS

My name is Dickhead

I ain't no inbred

I got a shaved head

Dickhead

I'm only 13

I got a mohawk

I'm gonna floor you

And I live in Portland

CHORUS

I'll cahse you down

And I'm gonna corner you

Whip my dick out

That'll scare you

CHORUS

I have the biggest little dick you'll ever see

But trust when I say you'll be scared of me

You've never felt how I'll make you feel

You will love my two inches of steel

CHORUS
