

# Buzz Poets, Stone Jesus

In my head I heard a sound  
Stone-face Jesus looking down  
Caught my eye so I turned around  
Stone-faced Jesus looking down  
And I understood  
Yes I  
Felt the rain from the sky  
Stone-faced Jesus starts to cry  
'Cause all we're living is a lie  
Stone-faced Jesus starts to cry  
And I know why  
Yes I  
There was nothing left to say  
Stone-faced Jesus turned away  
No one listened anyway  
Stone-faced Jesus turned away  
And I start to cry  
Yes I
