

Buzzcocks, I look alone

I am alone there's nobody there
I have some time to spare
Whenever I feel this way
I look around at everyone else
Have they no time to spare
Whenever I feel this way
Oh today is beautiful
Tomorrow's beautiful
Everything's beautiful
I look alone I'm left on the shelf
I've got the time to spare
Whenever I feel this way
You look alone there's nobody else
Have you no time to spare
Maybe you feel this way
Oh today is beautiful
Tomorrow's beautiful
Everything's beautiful
[Solo]
Oh today is beautiful
Tomorrow's beautiful
Everything's beautiful
Don't be alone with nobody there
I have the time to spare
Whenever you feel this way
Why be alone come down off the shelf
We have the time to spare
So why should we feel this way
Oh today is beautiful
Tomorrow's beautiful
Everything's beautiful
You look alone there's nobody else
We have the time to spare
Whenever we feel this way
Let's be alone we need no one else
And we've got lots to share
Whenever we get this way
Oh today is beautiful
Tomorrow's beautiful
Everything's beautiful
Oh today is beautiful
Tomorrow's beautiful
Everything's beautiful
Oh today is beautiful
Oh today is beautiful
Oh today is beautiful
Oh today is beautiful
Oh today is beautiful
Oh today is beautiful
Oh today is beautiful
