

# By The Tree, Faith That Breathes (Break Me)

All my life has been  
A returning to innocence and  
All my time is spent  
Believing in your existence so

Break me and  
Make me and  
Teach me what I gotta know  
Show me and  
Give me my  
Faith it breathes life into my soul

Now I've gone to sleep  
I've been dreaming  
About what you promised me  
This dream is for real  
It changes the way that I feel so

All my life has been  
A returning to innocence and  
All my time is spent  
Believing in your existence so  
Won't you come  
Won't you come  
And break me

Break Me

Give me faith then breathe life  
Right into my soul
