

By The Tree, Salvation Song

There comes a time for everyone, when you've got to take a stand
There is so much more to this life, there's a higher plan
So loosen up your voices and hear the church bells ring
There is a melody that can make the heavens sing

So open up your heart and let the light of joy come in

You can make a decision, it is yours to be made

Chorus

Joy to the world, every boy and girl

Joy to the world, every boy and girl

If you're thinking there is a brighter day to come

You are right my friend, there is everyday and then some
