

# By The Tree, Wait

I will wait for You patiently  
Praying from my deepest point of need  
Give You everything in return just for You  
Satisfy my soul, nothing else will do

Chorus:  
Jesus  
My heart  
your home  
(repeat)

I will sing for You all my days  
Always quick to give You praise  
When I was in sin You saved my soul  
No greater love will I ever know

Chorus

Jesus, You shine like the sun
