

# Byther Smith, Tell Me How You Like It

(Guitar Intro)

Tell me how you like it mama, I wanna make it good to you  
Tell me how you like it baby, girl I wanna make it good to you  
I want you to whip it on me mama, girl I'm gonna do the same to you

I want you tell me if you love me baby, girl let me make it good to you  
Well tell me how you like it mama, girl I want to make it good for you  
I want you to love it on me baby, girl I'm gonna do the same for you

(Guitar Solo)

You tell me if you like it mama, girl tell every woman you know  
Tell me if you like it baby, girl then tell every woman you know  
I want you to lay it on me baby, then I'm gonna do the same for you

Honey if you like my melons baby, why don't you tell me so  
Yeah if you like my melon baby, honey please tell me so  
I want you to whoop it on me mama, honey I'm gonna do the same for you

(Guitar Solo)

You know my love is so great baby, I want the whole world to know  
You know my love is so great baby, I want the whole world to know  
I want you to tell me how you like it mama, honey I'm gonna do the same to you

You tell me tell me how you like it baby, honey I'm gonna do the same to you  
You tell me tell me how you like it baby, honey I'm gonna make it good to you  
I want you to tell me how you like it mama, honey I'm gonna do the same to you

(Guitar Solo)
