But not this, see you wish you could

Gotta lay the past behind, what's on my mind,

It's the rime shinin, clinin, I'm pporing on a way to the top

With CBK-style with the club hiphop

I bring it back, put it down the line

I stop and come on the top of the dine

But you're going full, with the rap appeal,

Now here it comes stronger much harder

Where black and go, much started
