C-block, The Future Is So Bright

The future is so bright, everyday & Dright, everynight. Every night & Dright, I can find my way. To where I wanna go & Dright I wanna find. What I wanna do, as I leave the past behind.

Baby, baby, I was out of reach.
Till you came & Department of the state of the stat

The future is so bright, everyday & Dright. Every night & Dright & Dright. I can find my way. To where I wanna go & Dright. What I wanna do, as I leave the past behind.

Coming on & Damp; on, 'cause the stream into our future.

Making rhymemixs to resuit you.

And it's a scene that you play in your life.

Making people scream for more & Damp; they say the clock is hot.

Still, I'm moving on from the night before & Damp; watch you see change into the nightdraw.

Now can you help me? I take it day by day.

In a time & Damp; I felt it.

So can I find my own, anytime?

Relax my mind & Department of the still moving on with my mics. To let you know the future's still bright.

The future is so bright, everyday & Dright. Every night & Dright &

The future is, so bright.

Stay strong, as we live to future. Relax the mind & amp; take control. See the future is still bright.

Let the future lead your way, all you gotta do is stay. And be strong, be stronger. 'cause tomorrow's not today & De strong, uz the future is so bright.

The future is so bright, everyday & Dright. Every night & Dright &
