C.C. Catch, Don't Wait Too Long

Another time, another place
Heart to heart and face to face
Can you hear my heart beating through the night?
Oh what a night, another night
A good heart is hard to find
Can you hear my heart beating through the night?
Can you feel my heart crying deep inside?

Don't wait too long (too long)
Don't waste your time (your time)
You'll never find a love
A love is more than mine
Don't wait too long (too long)

We're young and strong (so strong) Oh babe, you'll find a love A place where you belong

You wasted days and wasted nights
On your way to paradise
Can you hear my heart beating through the night?
You can make it if you try
With your supernova smile
Can you hear my heart beating through the night?
Can you feel my heart crying deep inside
