

C.C. Catch, Stop - Draggin' My Heart Around

Save me - when I hurt you
Secret message - dangerous games
Reach out - love is so proud
It's the countdown to my dream
It's so danger - you're a stranger

Oh oh oh Stop - dragging my heart around
I'm qualified to satisfy
I'm qualified for love, my baby
Stop - dragging my heart around
Close your eyes and count to ten
I'm standing here again
Oh baby, oh baby

Save me from this hotline
Oh, I'm looking to magic tears
God knows, oh your love grows
Oh, I'm feeling pain and fears
It's so danger - you're a stranger
