

C.C. Catch, You Can Be My Lucky Star Tonight

You can be my lucky star tonight
Baby, keep the fire burning bright
Never say never
When you're young and in love
Never need anyone
Are you still dreaming
Nothing can change when your love is gone
Be young be foolish tonight
But never behave like a child

You can be my lucky star tonight
Baby, keep the fire burning bright
If you win this time my heart
We can make a brand new start
You can be my lucky star tonight
Baby, come on take me through the night

Never say never
There are times in your life
You'll be wondering why
Are you still dreaming
Now, I give you a reason to start a new try
How can I live without love
You are the one I'm dreaming of
