

# C.K.Y, Sniped

Target locked a ruthless act  
You're poised to get your basis back, how detrimental  
Pathetic basket case that went unheard  
As innocence, a dirty word, is annihilated  
Gumption used for wrong result  
To carry out the cruel assault, the blood to be frozen  
Creeping in with added sense  
Your conscience just a small pretense, it's fabricated  
Instate forgiveness right before the sin  
The state your brain is in, it's complicated  
Here's a change of plans instead  
When someone else is steps ahead the hunter's been hunted!  
Didn't you get to see your (faceless crime turned on you? sniped from behind)  
Sniped sniped sniped sniped sniped  
Didn't you get to see your (faceless crime turned on you?, sniped from behind)

Sniped sniped sniped sniped sniped  
Precision of the bullet block without a chance to  
Sense the shock  
Living is fleeing  
A human being snuffed for game  
You only have yourself to blame, it's so deceiving  
Gumption used for wrong result has failed to nail  
The cruel assault  
Your blood is freezing  
Taken up before the strike  
The sickest minds they think alike, your plan deleted  
Unbeknownst to those below, the innocent are free to go,  
Unviolated  
Let this be a lesson learned for all content to let it burn,
