

# C-Lows, Tell me why

Tell me why I dream every night,  
About you all the time and  
Tell me why it feels oh so right,  
Won't you  
Tell me why your kiss makes me high,  
Flying up to the sky and  
Tell me why i`m lovin` you tonight,  
Cause i don`t understand so  
Tell me why I dream every night,  
About you all the time and  
Tell me why it feels oh so right,  
Tell me why
