

C2k, She's Really Gotta Pee

Look at me
Aint I neat?
wouldn't you think the drivers completely out of his mind?
wouldn't you think I'm the girl
the girl who has to pee?
look at this van
theres no toilet
how many hours can one person hold it?
looking around here you'd think
sure, she's really gotta pee
I've got toilets and sinks aplenty
I've got toilet paper and towels galore
(you want bathrooms? I've got 20!)
but who cares?
There not here
Can you stop?
I wanna be where the bathrooms are
I wanna see wanna see 'em flushing
driving around on those
(what do you call 'em? oh, tires)
screaming at the driver you don't get to far
toiliets are required for peeing, pooping
strolling along down a
(what's that word again?) oh, highway
up where they pee
up where they poop
up where they sit all day on the pot
wondering why
wish I could be
part of that group
what would I give
if I could pee
right in those toilets!
(Listen to the song in the Little Mermaid: Part Of Your World
and sing along with our new version!)
