

# Cab Calloway, Doin' The Rumba

Gather round,  
You get a thrill in your feet  
That'll never be beat  
When you're doin' the rhumba!

Hit the ground!  
You'll find that everything shakes,  
What a difference it makes  
When you're doin' the rhumba!

Don't you stop,  
Spin around again like a top!

What a dance,  
Begin learning it now,  
You'll be happy somehow,  
When you're doin' the rhumba!

Take a chance,  
Down in the valley they say,  
Darkies wiggle and sway,  
When you're doin' the rhumba!

You just  
Wanna click those castanets!

What a dance,  
Gets you right on the spot,  
Swing out and get hot  
When you're doing the rhumba!
