

Cabin Crew, Star To Fall

Trying to catch your heart Is like... (X 8)

Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah

Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart into my arms
That's where you belong In my arms
And carry your heart into my arms
That's where you belong
In my arms, baby yeah
(Baby yeah, baby yeah, baby yeah, baby yeah,)

And carry your heart into my arms
That's where you belong In my arms
And carry your heart into my arms
That's where you belong
In my arms, baby yeah

Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart into my arms
That's where you belong In my arms, baby yeah

Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart
Waiting for a star to fall
And carry your heart into my arms
That's where you belong In my arms, baby yeah
(Baby yeah, baby yeah, baby yeah, baby yeah,)
