

# Cadaveres De Tortugas, (Respect) My Way

Why do you look at me if you hate me?  
When I see your disgust I go crazy  
'cause you can't see, what's in my brain  
and I don't have any disease in my vein

You condemn me without knowing me  
Because of formalities I'm your enemy  
I just don't want to understand  
Why am I worst when I'm different

I live my life how I want it - My way  
I don't give a f\*\*k if you don't like it - My way  
Just hate me I don't give a damn shit - My way  
You can't see what's in me so I don't care what you say

Don't want to tell me, who I have to be  
Just look at your own life and let me be  
who I am, there's a lot of bigger problem  
Leave me alone and concentrate on them

You waste your time with things of no importance  
And forget easy what's the real substance  
Don't f\*\*k with me and don't see my aim  
You play yours and I play my game

My way
